

Styles House Continuation Ballot 2024

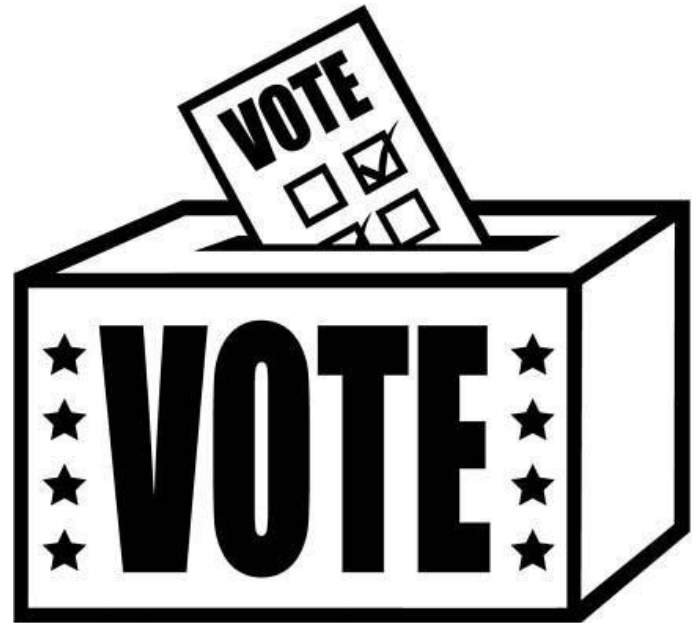

Many thanks to everyone who voted in the ballot; both tenants and leaseholders voted to continue as a Tenant Management Organisation (TMO).

The results were 72% for continuation with a 62% turnout.

It was a heartening endorsement of the work that the volunteers on the Styles House Board do - on behalf of all residents.

We look forward to continuing the TMO work - and are busy moving forward with the CCTV project (slightly delayed by circumstances outside our control) due to start in a couple of months. Update on this project to follow shortly.

We also intend to arrange a programme of social events once we have recruited some more volunteers to help with the preparations.

Thank you for your support

Philippe Chery
Chair
On behalf of Styles House TMO
